#### Notes:

- <sup>B</sup> preliminary
- Includes people who receive regular income benefits whether or not they participate in one of three employment benefit programs, namely Skills Development Program, Job Creation Partnerships Program and Self-employment Program. EI statistics indicate the number of people who received EI benefits and should not be confused with Labour Force Survey data, which gives the total number of unemployed persons.
- All EI data series have been the subject of an historical revision going back to January 1997.
- Data may not add up to totals as a result of rounding.
